Description

•Note: Each funding opportunity description is a synopsis of information in the Federal Register application notice. For specific information about eligibility, please see the official application notice. The official version of this document is the document published in the Federal Register. Free Internet access to the official edition of the Federal Register and the Code of Federal Regulations is available on GPO Access at: <http://www.access.gpo.gov/nara/index.html>. Please review the official application notice for pre-application and application requirements, application submission information, performance measures, priorities and program contact information. Purpose of Program: The Foreign Language Assistance Program (FLAP) provides grants to local educational agencies (LEAs) for innovative model programs providing for the establishment, improvement, or expansion of foreign language study for elementary and secondary school students. Under this competition, as required by the fiscal year

2008 Appropriations Act, 5-year grants will be awarded to LEAs to work in partnership with one or more institutions of higher education (IHEs) to establish or expand articulated programs of study in languages critical to United States national security in order to enable successful students to achieve a superior level of proficiency in those languages as they advance from elementary school through high school and college. In addition, an LEA that receives a grant under this program must use the funds to support programs that show the promise of being continued beyond the grant period and demonstrate approaches that can be disseminated to and duplicated in other LEAs. Projects supported under this program may also include a professional development component. Catalog of Federal Domestic Assistance (CFDA) Number: 84.293B. If you choose to submit your application electronically, you must use the Governmentwide Grants.gov Apply site at <http://www.Grants.gov>. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us. You may access the electronic grant application for the Foreign Language Assistance Program at <http://www.Grants.gov>. You must search for the downloadable application package for this program by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.293, not for 84.293B). The telephone number for the Grants.gov Helpdesk is 1-800-518-4726 or e-mail: support@grants.gov.

Description

•Note: Each funding opportunity description is a synopsis of information in the Federal Register application notice. For specific information about eligibility, please see the official application notice. The official version of this document is the document published in the Federal Register. Free Internet access to the official edition of the Federal Register and the Code of Federal Regulations is available on GPO Access at: <http://www.access.gpo.gov/nara/index.html>. Please review the official application notice for pre-application and application requirements, application submission information, performance measures, priorities and program contact information. Purpose of Program: The PWI program creates and expands job and career opportunities for individuals with disabilities in the competitive labor market by engaging the talent and leadership of private industry as partners in the rehabilitation process. Projects identify competitive job and career opportunities and the skills needed to perform those jobs, create practical settings for job readiness and training programs, and provide training, job placements, and career advancement services. To submit your application via Grants.gov, you must complete all steps in the Grants.gov registration process (see

http://www.grants.gov/applicants/get_registered.jsp). You may access the electronic grant application for the PWI Program at <http://www.Grants.gov>.
